

## KAMBALA

19 November 2013

To Whom It May Concern:

Melissa Bruce came to Kambala earlier this year in the capacity of a Public Speaking and Debating Coach for our Social Debating teams across years 7, 8 and 9.

Since the start of the year Melissa has run several exceptional afterschool workshops; managing up to 25 girls at a time in a variety of exercises.

These included:

- Argument formation,
- Methods of delivery,
- Spontaneous responses and;
- Personalised feedback for each student throughout the year.

Melissa has had a wonderful rapport with both students and parents and was kind enough to participate in our Annual Debating Gala.

Her ability to connect with her students and her talent at teaching simple speech and debating concepts, as well as more advanced topics, are both truly superior. She has excellent written and verbal communication skills, is extremely organised, reliable and a real model of professionalism. She has fantastic initiative, positivity in the classroom and is skilled in working with students to bring out the best in their abilities.

I recommend Melissa to you without reservation. If you have any further questions with regard to her qualifications in speech and debate coaching, please contact me at the details below.

Kind Regards,

Meghan Long
