Dear Melissa

1987/88 Regional Tour

I write simply to thank you for your participation in this enormously successful tour. Since I have worked for the RSC, which now covers four years, I know this to have been the most successful tour and also the happiest tour. I do congratulate you on this tremendous achievement and thank you very warmly indeed for your contribution. You have set us a standard that it will be hard to maintain - but we shall, of course, do our very best.

With all good wishes.

Yours sincerely

Tim Leggatt
